Programme introduction

PROGRAMME INTRODUCTION

Your expertise. Your next step.

The LLM programme uses work-based learning as its pathway, centring on knowledge updating, research methods and practical issues to support the continuing expansion of professional perspectives.

From understanding to application

Connect the different knowledge from the programme with work experience to form a more structured approach to problem analysis through learning, reflection and research.

Coursework → Dissertation stage

The above curriculum is for reference only; the actual course arrangement is subject to the teaching plan.

A clear pathway for your growth

YOUR LEARNING JOURNEY

Stage 1 · Coursework

Complete the Chinese-taught supplementary courses, foreign-taught elective courses and foreign-taught core courses, connecting knowledge structures with practical experience.

Stage 2 · Dissertation research

Complete an English dissertation of approximately 15,000 words and pass the University supervisor’s review.

Get to know your university

UNIVERSITY OF WOLVERHAMPTON

The history of the University of Wolverhampton can be traced back to the 19th-century Mechanics' Institute and School of Art. Located in the Midlands, England, the University offers foundation, undergraduate and postgraduate programmes, with a number of courses recognised by professional bodies.

More than 21,000 students study across three main teaching sites and partner institutions. Through flexible courses, innovative teaching and research closely connected with practice, the University supports learners at different stages to continue growing.

Take the next step

Undertake retraining, enrich work experience and expand employability to create new possibilities for career development.

Keep progressing towards a better you

YOUR NEXT CHAPTER

Bring learning into your working life

Using the programme as a starting point, continue to deepen understanding through reading, discussion and research. Let every stage of learning build strength for the next stage of development.

Alumni voices

ALUMNI VOICES

“

In terms of education, the University of Wolverhampton is the first place where I felt at home.

Sandra Wallace · Director at DLA Piper

“

I am grateful for everything that happened to me at the University, which sparked a great deal of intellectual exchange in me.

Chris Blythe OBE · Alumnus
